Can drinking coffee help people live longer? What makes a stock's price go up? Why did you get the flu? Causal questions like these arise on a regular basis, but most people likely have not thought deeply about how to answer them. This book helps you think about causality in a structured way: What is a cause, what are causes good for, and what is compelling evidence of causality? Author Samantha Kleinberg shows you how to develop a set of tools for thinking more critically about causes. You'll learn how to question claims, identify causes, make decisions based on causal information, and verify causes through further tests. Whether it's figuring out what data you need, or understanding that the way you collect and prepare data affects the conclusions you can draw from it, Why will help you sharpen your causal inference skills. Powerboat Maintenance, Service, Shop Manual The Matrix Model for Teens and Young Adults Therapist Manual Now featuring new cover artwork, Beth Moore's popular book To Live Is Christ looks closely at the passionate and inspiring faith and life of the apostle Paul. Michel Foucault identified sexuality as one of the defining biopolitical technologies of the nineteenth and twentieth centuries. As Jemima Repo argues in this book, "gender" has come to be the major sexual signifier of the mid-twentieth and early twenty-first

century. In fact, in this historical excavation of the biopolitical significance of the term, she argues that it could not have emerged at any other time. Repo shows that gender is not originally a feminist term, but emerged from the study of intersex and transsexual persons in the fields of sexology and psychology in the 1950s and 1960s. Prior to the 1950s gender was used to refer to various types of any number of phenomena - sometimes sex, but not necessarily. Its only regular usage was in linguistics, where it was used to classify nouns as masculine, feminine, or neuter. In the mid-twentieth century, gender shifted from being a nominator of types to designating the sexual order of things. As with sexuality in the Victorian period, over the last sixty years, the notion of gender has become an entire field of knowledge. Feminists famously took up the term in the 1970s to challenge biological determinism, and in government, "women" have been replaced by "gender" in policy-making processes that aim to advance equality between women and men. Gender has also become a key variable in social scientific surveys of different socio-political phenomena like voting, representation, employment, salaries, and parental leave decisions. *The Biopolitics of Gender* analyzes the strategies and tactics of power involved in the use of "gender" in sexology and psychology, and subsequently its reversal and counter-deployment by feminists in the 1970s and 1980s. It critiques the emergence of gender in demographic science and the implications of this genealogy for feminist theory and politics today. Drawing on a wide variety of historical and contemporary sources, the book makes a major theoretical argument about gender as a historically specific apparatus of biopower and calls into question the emancipatory potential of the category in feminist theory and politics. A couples therapist and relationship expert explains why conflicts between partners often result in a lack of self-control and compassion. Using the credit card and identity of a handA-cuffs salesman, professional failure Tyndale Corbett arrives in Miami for a law-enforcement conference to discover the joys of luxury hotels and above all the delight of being someone else, someone successful. Feeling his previous lack of success might be due to insufficient ambition, Tyndale

decides on a new money-making scheme. He will up the ante substantially, exponentially, and pretend to be someone really important and successful: God. His mission to convince the citizenry of Miami that he is, despite appearances, the Supreme Being results in him taking over the Church of the Heavily Armed Christ. His duties there involve him in forming a private army, hiring call girls, trafficking coke, issuing death threats, beating off church-jackers and sorting out (as almightily as possible) various problems his parishioners are having with pets. All the while he is working on his grand project, the clincher miracle, dying and coming back to life... Wild Swans meets Educated in this riveting true story spanning four generations

'Revelatory and remarkable' - TRENT DALTON 'Memorable and vivid' - RICHARD GLOVER 'Lands with a thump in your heart' - LISA MILLAR 'Heartbreaking and uplifting' - MEAGHAN WILSON ANASTASIOS 'An heroic saga' - MIKE MUNRO

The dragon circles and swoops ... a tiger running alone in the night ... Mimi Kwa ignored the letter for days. When she finally opened it, the news was so shocking her hair turned grey. Why would a father sue his own daughter? The collision was over the estate of Mimi's beloved Aunt Theresa, but its seed had been sown long ago. In an attempt to understand how it had come to this, Mimi unspools her rich family history in House of Kwa. One of a wealthy silk merchant's 32 children, Mimi's father, Francis, was just a little boy when the Kwa family became caught up in the brutal and devastating Japanese occupation of Hong Kong during World War II. Years later, he was sent to study in Australia by his now independent and successful older sister Theresa. There he met and married Mimi's mother, a nineteen-year-old with an undiagnosed, chronic mental illness. Soon after, 'tiger' Mimi arrived, and her struggle with the past - and the dragon - began ... Riveting, colourful and often darkly humorous, House of Kwa is an epic family drama spanning four generations, and an unforgettable story about how one woman finds the courage to stand up for her freedom and independence, squaring off against the ghosts of the past and finally putting them to rest. Throughout, her inspiration is Francis's late older sister, the jet-setting, free-spirited Aunt Theresa, whose extraordinary life is a beacon of hope in the darkness.

PRAISE FOR HOUSE OF KWA 'House of Kwa enchants and enthralls like the best kind of sweeping, dynastic fiction, but it rattles the bones and breaks the heart with the pure facts of Mimi Kwa's extraordinary story. Revelatory and remarkable storytelling.' Trent Dalton 'An astonishing true tale that leaps across centuries and cultures to land with a thump in your heart.' Lisa Millar 'A startling tale of the past, its terrible grip on the present, and the battle to set yourself free. Full of scenes that hover between tragedy and farce, House of Kwa is one of the most compelling stories you'll read this year. Memorable and vividly told, this is a book for anybody forced to survive their own parents.' Richard Glover 'From the back streets of China to war-torn Hong Kong to suburban Australia, this is an heroic saga that reveals just some of the stories behind the multi-cultural nation we are today.' Mike Munro AO 'This is a charming and compelling story, an insight into a

deeply traditional Chinese family in times when China was undergoing internally and externally induced upheaval.' South China Morning Post 'A rich and riveting read which heralds a new chapter in Kwa's life as a writer. The spirited tiger, full of life and driven to achieve, has many stories to tell yet.' The Weekend Australian 'House of Kwa answers the question of how one should write about one's family with generosity and love - to read it is to experience Kwa's wonder at the strength and resilience of her family, as well as the intimacy of her relationships with them. Traversing the boundaries of a traditional memoir, House of Kwa is the biography of a family that explores the way our lives are shaped by the past we can and cannot remember. Kill Your Darlings 'A rare work of non-fiction which balances page turning prose with lyrical depth. Do yourself and everyone you know a favour and dive in!' Megan Rogers An utterly captivating, gripping and inspirational tale of one woman's triumph over adversity. In this extraordinary multi-generational memoir, Kwa fearlessly grapples with questions of love, loyalty, and the power of the human spirit. Intimate and revelatory, House of Kwa is the most heart-breaking and uplifting book I have read in years and announces the arrival of an exciting writer. Meaghan Wilson Anastasios 'If you're a fan of the book Educated by Tara Westover, as I am, and most readers I know are, then you have to read this.' Joan McKenzie, Joan's Picks, Whitcoulls 'Mimi's narrative about their family life is heart-breaking, hilarious, and often unbelievable.' Magic talk FM 'An exotic journey that takes readers through the contributions Chinese immigrants have made to multicultural Australia.' ABC Nightlife 'Kwa is an engaging storyteller.' Asian Review of Books 'Extraordinary - I couldn't put it down. Wonderfully written, this intriguing family story reads like a page-turning novel. The journey of the Kwa dynasty and its legacy is told in such rich, colourful detail, you feel like you are there. I loved it. Sue Smethurst 'I laughed, I grieved, I was intrigued. It took enormous strength to write this story of trauma, abuse, mental health, dislocation, racism and reinvention. Above all it is a story of love and kindness. It will resonate with so many people.' Kirsty Manning

people's lives." —Jack Canfield, Co-author, New York Times #1 bestselling Chicken Soup for the Soul series "I believe that Nigel Risner is the best speaker in the world. He excites, he challenges and most of all, impacts the lives of thousands of people to take action." —David Taylor, Author of The Naked Leader "YOU made the difference Nigel and Wow!" —Kriss Akabussi MBE, The Akabussi Company "Not another self-help book?" I hear you cry. Well, for once no, definitely not just another self help book. You've probably tried, and more than likely been disappointed, by self-help books in the past. Why is that and why is this one different? Well here's the truth; the fault doesn't lie in the books you have read before, it lies with you. Only you can make a difference. It wasn't the books that failed to make an impact, it was you. Get over it. The Impact Code is a beautifully simple approach to life. So simple you will wonder why it never occurred to you to do it before. So, it's time to get off your butt and start living for yourself, for your dreams and for your life. Nigel Risner's approach is direct, sincere and devastatingly honest. If you follow the code, you will see and feel a difference in your life and the life of everyone around you. Your life is waiting for you to get started. All you have to do is crack the IMPACT Code and the world will, quite literally, be yours. The choice is yours; it always has been. From Internet sensation Anna Akana comes a candid and poignant collection of essays about love, loss, and chasing adulthood. In 2007, Anna Akana lost her teen sister, Kristina, to suicide. In the months that followed, she realized that the one thing helping her process her grief and begin to heal was comedy. So she began making YouTube videos as a form of creative expression and as a way to connect with others. Ten years later, Anna has more than a million subscribers who watch her smart, honest vlogs on her YouTube channel. Her most popular videos, including "How to Put On Your Face" and "Why Girls Should Ask Guys Out," are comical and provocative, but they all share a deeper message: Your worth is determined by you and you alone. You must learn to love yourself. In *So Much I Want to Tell You*, Anna opens up about her own struggles with poor self-esteem and reveals both the highs and lows of coming-of-age. She offers fresh, funny, hard-won advice for young women on everything from self-care to money to sex, and she is refreshingly straightforward about the realities of dating, female friendship, and the hustle required to make your dreams come true. This is Anna's story, but, as she says, it belongs just as much to Kristina and to every other girl who must learn that growing up can be hard to do. Witty and real, Anna breaks things down in a way only a big sister can. Praise for *So Much I Want to Tell You* "This book is filled with the kind of honesty, vulnerability, and determination that makes Anna such a captivating person. One warning: You'll want to hug her a lot while reading this."—Natalie Tran, actress and comedian "As a woman working in entertainment, Anna Akana is accustomed to feeling vulnerable. Which means that she's used to being brave. This book is a tribute to the duality of bravery and fear as told through Anna's experiences to date."—Hannah Hart, *New York Times* bestselling author of *Buffering: Unshared Tales of a Life Fully Loaded* "Frank advice on how to live a productive, happy life . . . written in tribute to a 'fearless, talented, and bold' sister."—Kirkus Reviews *Surveying for Construction 5e* is an essential textbook for students of engineering new to surveying, and will also appeal to students of building and environmental studies and archaeology. The first guide to building/buying an electric boat. Covers everything needed: designs, types of construction, motors, batteries, chargers, converting an existing boat. *Psychosocial Rehabilitation* is a comprehensive ready-reference for mental health practitioners and students, providing practical advice on the full range of interventions for psychosocial rehabilitation. It contextualises the interventions described and provides pointers to enable the reader to explore the theory and research. This manual recognises the wide-ranging impact of mental illness and its ramifications on daily life, and promotes a recovery model of psychosocial rehabilitation and aims to empower clinicians to engage their clients in tailored rehabilitation plans. The book is divided into five key sections. Section 1 looks at assessment covering tools available in the public domain, instruments, scoring systems, norms and applications for diagnosis and measurement of symptoms, cognitive functioning, impairment and recovery. Section 2 covers the full range of therapeutic interventions and offers advice on training and supervision requirements and evaluation of process, impact and outcome. Section 3 provides manuals and programs for interventions effectively provided as group activities. Section 4 explains how to design a full programme that integrates therapeutic interventions with group programmes as well as services provided by other agencies. The final section looks at peer support and self help, providing manuals and resources that support programmes and interventions not requiring professional or practitioner direction. This set contains 2 binders and nine books. The books are as follows: *Outboard Motor Service Manual Volume 1*, *Outboard Motor Service Manual Volume 2*, *Old Outboard Motor Service Manual Volume 1*, *Old Outboard Motor Service Manual Volume 2*, *Inboard Outdrive Service Manual*, *Inboard Engine/Transmission and Drive Service Manual*, *Personal Water Vehicles Manuals*, *Outboard Flat Rate Manual*, and *Motor and Board Identification Reference Manual*. Rehabilitation should not stop when the disabled person is discharged from hospital, and many neurological patients require ongoing rehabilitation in order to maximize their functional abilities, minimize complications and promote full participation at home and

in the community. This book analyses community rehabilitation needs from many different perspectives, including the views of disabled people, rehabilitation clinicians and service providers. Many examples of community rehabilitation schemes are presented, with evidence for their effectiveness, and case studies are used to highlight the main issues. The authors take an international view, and there are chapters dealing with the disabled child in the community and with neuropsychological rehabilitation. This important book examines the growing trend towards community rehabilitation in neurology and is directed towards all clinicians involved with neurorehabilitation. An overview of complementary and alternative medicine discusses various treatments, including herbs and energy therapies, and examines how alternative and conventional therapies can be combined to treat twenty common conditions. This sumptuously illustrated volume analyzes artists' representations of angels and demons and heaven and hell from the Judeo-Christian tradition and describes how these artistic portrayals evolved over time. As with other books in the Guide to Imagery series, the goal of this volume is to help contemporary art enthusiasts decode the symbolic meanings in the great masterworks of Western Art. The first chapter traces the development of images of the Creation and the Afterworld from descriptions of them in the Scriptures through their evolution in later literary and philosophical works. The following two chapters examine artists' depictions of the two paths that humans may take, the path of evil or the path of salvation, and the punishments or rewards found on each. A chapter on the Judgment Day and the end of the world explores portrayals of the mysterious worlds between life and death and in the afterlife. Finally, the author looks at images of angelic and demonic beings themselves and how they came to be portrayed with the physical attributes--wings, halos, horns, and cloven hooves--with which we are now so familiar. Thoroughly researched by and expert in the field of iconography, *Angels and Demons in Art* will delight readers with an interest in art or religious symbolism. A stunning, full-color guide for the modern skier, *Ultimate Skiing* speaks to the intermediate, advanced and racing readership by including updated techniques for modern-shaped ski designs and tips for fine-tuning boots for specific styles and terrain. *Ultimate Skiing* features author Ron LeMaster's clear, thorough and captivating photo sequences depicting proper form on the slopes. Every chapter includes analyses of World Cup skiers, as well as exercises for developing and practicing technique. Original.
