Tells how to select an IRA plan, points out the inadequacies of Social Security, and pension plans, and explains how IRAs work In The Four Agreements, bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, The Four Agreements offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over a decade • Translated into 48 languages worldwide “This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter.” — Oprah Winfrey “Don Miguel Ruiz’s book is a roadmap to enlightenment and freedom.” — Deepak Chopra, Author, The Seven Spiritual Laws of Success “An inspiring book with many great lessons.” — Wayne Dyer, Author, Real Magic “In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world.” — Dan Millman, Author, Way of the Peaceful Warrior Ever wonder what makes household names like Oprah, Ellen, or Beyoncé so powerful? It’s all about influencer branding, and Laura Bull will tell you everything you need to know. Bull spent ten years with Sony Music Entertainment, becoming one of the company's youngest executives and spearheading artist development and marketing for globally recognized brands. She is an expert who specializes in transforming entrepreneurs into viable brands and teaching what it takes to become a powerful "influencer." Whether you are an artist, blogger, performer, politician, author, or thought leader, this book will change the way you think about your “brand” and your future. Bull marries positive psychological principles with traditional branding strategies and reveals her revolutionary Brand Matrix that will have you soaring past personal branding into the very different world of influencer branding. This intelligent, breezy read provides additional tools, exercises, and resources that offer real-world support to tackle your own engaging, competitive, and authentic brand identity. Entertaining examples from pop culture and politics round out this book that can truly take you from individual to empire. A consultant and speaker, Bull has been an adjunct professor since 2013 teaching disciplines in marketing and music business at multiple colleges and universities, including SMU's Temerlin Advertising Institute. Autism Spectrum Disorders (ASD) are a complex set of neurodevelopmental disorders with which one in sixty-eight children in the United States have been diagnosed. However, their causes are still unclear and there are no known cures. Effective, evidence-based treatments are emerging, but they are primarily school and behavior-based. There is an ongoing need to understand and implement techniques and interventions that can address and change social communication and interaction deficiencies for people diagnosed with ASD. A Guide to Counseling Individuals with Autism Spectrum Disorders is the third of three books on therapeutic issues specific to individuals with ASD. The first two books outline a theoretical approach and a practical intervention program named Social Competence Enhancement Program (SCEP). They primarily address group interventions and techniques. A Guide to Counseling Individuals with Autism Spectrum Disorders applies the SCEP approach to individual therapeutic work. By considering the useful and evidence-supported elements of interventions for individuals with ASD and applying them within the individual psychotherapy process, this book suggests ways to help people with ASD achieve a higher quality of life, by addressing and reducing the experience of internal distress; by understanding its sources; and by teaching clients to take control and make appropriate and adaptive changes. Vignettes from actual clinical situations are used to demonstrate particular issues that arise and to illustrate how to employ interventions found useful with individuals with ASD.... The proven safety tips and techniques for corporate executives, revised and updated The revised and updated second edition of Executive's Guide to Personal Security, 2nd Edition offers a strategic handbook for ensuring safety for executives, their employees, and their corporate assets. The book's lessons outline the basic rules of personal security; it shows how to recognize and prepare for the real threats faced by executives and ordinary individuals in today's often hostile world. It is filled with the necessary knowledge that can empower executives to face these threats and deal with them successfully. The methods outlined herein, formerly reserved for security professionals and government employees, are made available to the reader. Executive's Guide to Personal Security will teach you situational awareness which allows you to identify potential dangers before they become serious threats. You will learn how to analyze risks, prepare for emergencies, travel safely, and utilize counter-surveillance techniques to enable you to recognize if you are being followed or targeted. You will gain an understanding of the threats to both personal safety and corporate assets and understand how to implement the appropriate counter-measures to deal with those perceived threats. With Executive's Guide to Personal Security, you can learn to take necessary actions to reduce your chances of becoming a target and discover how to make yourself less vulnerable. Written by two seasoned security experts, the lessons presented can be used by those in the business world as well as anyone who would like to feel more secure, including those traveling to foreign countries and individuals studying abroad. New to the second edition is: Information for responding to an active shooter incident Enhanced details for protecting IP and computers and smart phones Strategies for planning for emergencies at home and the office Approaches to safety that meet the challenges of today's world Executive's Guide to Personal Security, 2nd Edition is the comprehensive book that contains information on physical security, principles of route selection, technical security systems, hostage situations, emergency planning, hotel and room selection, armored products, communications, bomb threats, evacuations, and local criminal hazards. Featuring expert contributors working in a variety of contexts, this resource will help you help your patrons take charge of their personal materials. This book will help readers understand the most important book of Michael Polanyi, 'Personal Knowledge', and help them grasp the essence of his philosophical thinking. In this volume, Polanyi's goals are first reconstructed, and then his main philosophical arguments are introduced. The discussion is limited to the most crucial ideas that are indispensable for the arc of his book: tacit knowledge, emergence and the fiduciary program. The thirteen chapters of this volume explain the essence of the thirteen chapters of 'Personal Knowledge'. The page numbers in this book work just as well with the 2015 'Enlarged Edition' of 'Personal Knowledge' as with the original issues. Whether you just want to get the key quotation and the context right on tacit knowledge, emergence or the fiduciary program, or want to have a deep dive for your scholarly research in philosophy and management, this book is for you.
