God has a dream for you, and if you will seek Him, He will reveal and guide you to it. Living your dreams isn't easy. It takes persistence and tenacity, along with faith in yourself, in God, and in the vision He has given you. In this small book, Jentezen Franklin gives you a powerful message of hope: you can do it! The question is not can you dream, but do you have the courage to act on it? Is there a dream in your heart? Has life buried it? Have others told you it's too late? Don't you believe it! Using personal experiences and examples from biblical characters who pursued their dreams to the end, Franklin shows you how to find and walk out your God-given vision for your life. The Worship Workshop, rather than providing simply another manual for doing worship, offers instead an interactive workshop that helps worship teams develop more meaningful and memorable worship for the congregation. By combining liturgical history and the creative process, The Worship Workshop encourages worship teams and staff to break out of the traditional worship box in order to create diverse ways to present the Good News in worship. Through a variety of activities, ideas, and informational handouts, The Worship Workshop helps worship committees, planners, and designers evaluate the state of their current worship, get more people involved in the planning and designing process, explore the diverse designs of congregational worship, learn the history of worship, and utilize the arts and artists in worship. For too long the Christian community has been told five, ten, fifteen minutes with God is enough, but God wants to stir within us ways to worship him anew. This book will help you accelerate your relationship with Christ, where living in the presence of God is a lifestyle. You will gain a fresh understanding of how to seize every opportunity to be immersed in Gods presence and where the focus is to worship the Creator, not the created. Through dreams and visions, see firsthand how God taught Teresa new ways of spending time with her Lord. Follow her journey as she learns how worshipping anew opens the windows of Heaven into the tangible presence of God, where miracles began. The treasures within the pages of this book will help you appreciate and embrace what it means to worship God and stop the cycle of a stagnant walk with him. As you read, experience what can happen in the physical and spiritual world when we surrender our entire being and are submerged into the beautiful, supernatural presence of God. C. Welton Gaddy combines his own insight with some of the key sermons, lectures, and worship resources to recount one group's pilgrimage to a ministry that approximates a New Testament church. He writes hoping that this story of one church will inspire similar pilgrimages. In search of a way to worship that is relevant today and into the twenty-first century, Moeller proposes an approach based on the "great commandment" to love God and one's neighbor as oneself. With special attention to the time, space, sounds, sights, touches, and symbols that form the context of every worship service, she argues for a collaborative approach to the worship service in which the participants are involved from preparation to celebration. Illustrating this highly evocative, thoroughly feminist theology of worship is a sample service that pays particular attention to how the process and design of worship impact the experience of the worshipers. By using this book, you can now decipher and make sense out of your dreams, begin a new phase of your vision or grasp an understanding of the mysterious, inexplicable world of parables, dark sayings and riddles. You certainly will comprehend your inner-self. "Shattered dreams," writes Dr. Larry Crabb, "are never random. They are always a piece in a larger puzzle, a chapter in a larger story. The Holy Spirit uses the pain of shattered dreams to help us discover our desire for God, to help us begin dreaming the highest dream." Shattered dreams have the power to change our lives for good. Join Larry Crabb on a life-changing adventure to encounter God in the midst of life's most difficult times, and learn to live beyond your Shattered Dreams. Do Your Dreams Seem Out of Reach? If you have a dream, then you have a destiny. In his inspiring new book, From Dream to Destiny, Robert Morris prompts you to ask yourself, How do I travel from the dream to the destiny--and what happens on the way? Each of us is given a dream by God--it's the notion that sets our hearts racing by the mere thought of it. Unfortunately, most people never see their dream come to pass, so they never fulfill the destiny that God has in store for them. Robert Morris tells readers exactly how to make their dream into the reality for which they long. Using the example of Joseph in the Old Testament, Pastor Robert shows how God gave Joseph a dream and then promptly took him through 10 character-building tests that lasted 13 years. These tests assessed Joseph's strengths and weaknesses--from pride to purity--and they are the same tests that each of us must pass before God lets us realize our dream. Find out what the tests are and if you are passing or failing them, and get ready to begin fulfilling the destiny that God has in store for you.
