was previously published as *Time To Die* by Alex Howard. What readers are saying about *The Stolen Child*: 'Brilliantly done, authentic and doesn't pull any punches' 'The story twists and turns its way to an edge of the seat conclusion' 'Difficult to put down' 'Brilliant and well written' 'A great new character and a gripping story' 'I thoroughly enjoyed the story and the turns of the plot.' 'A great female lead, in a story that is as much about character as it is about the crime.' Miss Julia faces a double dose of trouble—this time right under her own roof. Miss Julia's iron will and kind heart have assured her a spot among the most beloved characters of Southern literature. In her latest adventure, Miss Julia whisks Hazel Marie off to the doctor when the latter admits she's been feeling poorly. The news floors them both: Hazel Marie is pregnant with twins. Unfortunately, she's also just sent her beau, Mr. Pickens, packing. Miss Julia needs a plan—and fast. So when Sam's house is robbed, Miss Julia declares that only J. D. Pickens, P.I., can get his things back. Playing Cupid and solving the crime might seem like a tall order but readers everywhere know that Miss Julia always delivers the goods. Travis King is the worst kind of asshole. He taunts me for being a good girl and mocks my high standards. He's cruel, crass, and has enough confidence to last two lifetimes. And I hate him. It wouldn't matter so much if he were avoidable. But considering he's my older brother's best friend and roommate, I see him more than I'd ever want to. His sculpted abs and gorgeous eyes are wasted on such an arrogant man, which makes me hate him even more. Even though I've had a crush on him since I was ten, the feelings weren't mutual and he's always made that very clear. He's always loved getting under my skin and one night against my better judgment, I let him in my bed. I've succumbed to his manwhore ways, but that doesn't change a thing. Because the King is about to get played at his own game—and lose. Checkmate. Balm for the soul—Alessandra Olanow offers advice, inspiration, and encouragement for anyone who needs a shoulder to lean on during a difficult time. "I Know This Too Shall Pass. (But It Would Be Helpful to Know When)." After a series of events left her a divorced single mother questioning herself, her relationships, and basically, everything she thought was true about her "picture-perfect" life, Alessandra Olanow began drawing and posting illustrations on Instagram that reflected her feelings and struggles to right her life. She chronicled her journey of healing, expressing the shock, delusion, denial, self-pity, and self-doubt she experienced and the self-empathy and forgiveness that ultimately helped her regain a sense of self—but stronger, more fearless, and more hopeful than before. Her charming illustrations and keen, memorable observations—struck a chord. Within a year, her audience grew dramatically, from 9,500 to 157,000 followers, including celebrities Katie Couric, Jennifer Garner, Elise Loehnen (chief content officer at Goop), the poet Joao Doederlein, and Joanna Goddard (founder of A Cup of Jo). *I Used to Have a Plan* brings Olanow's soothing sensibility to a wider audience, featuring new drawings and ideas that touch upon the universal experiences of unexpected change and loss. Divided into five parts—"I Didn't See That Coming," "It's OK That You're Not OK," "Where'd I Go," "The Only Way Out Is Through," and "I Like It Here, Can I Stay a While?"—the book beautifully encapsulates the experience of encountering difficulty, processing it and healing from it, and becoming stronger and with a better sense of self. Full of advice, commiseration, empathy, and wit that is comforting, helpful, direct, and remarkable in its truth, *I Used to Have a Plan* helps everyone through the painful yet ultimately uplifting process of healing. *I Used to Have a Plan* includes 75-100 illustrations. What do a high end brothel, a sexy womanizing lawyer and demanding stranger have in common? Delilah Jameson. It's time for this art gallery owner to put on her big girl panties and choose wisely. She appeared one day out of nowhere, but her employer Gabriel MacFeagh, Viscount of Dunevin, can't help wondering who Nell Harte really is. It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life. To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer
