For eleven-year-old Tash, Cap'n Jackie isn't just the elderly next-door neighbor — she's family. When she disappears, only Tash holds the key that might bring her back. Tash didn't want to go to camp, didn't want to spend the summer with a bunch of strangers, didn't want to be separated from the only two people she has ever been able to count on: her uncle Kevin, who saved her from foster care, and Cap'n Jackie, who lives next door. Camp turns out to be pretty fun, actually, but when Tash returns home, Cap'n Jackie is gone. And Tash needs her — the made-up stories of dolphin-dragons, the warm cookies that made everything all right after a fight, the key Cap'n Jackie always insisted had magic in it. The Captain always said all Tash had to do was hold it tight and the magic would come. Was it true? Could the key bring Cap'n Jackie back? In a heartfelt and stunningly written story, Pat Schmatz introduces readers to a tenacious, fiercely loyal girl struggling to let go of the fantasies and fears of her childhood . . . and say yes to everything that lies ahead. In this bold novel, John D. MacDonald exposes the backstabbing and betrayals, sordid deeds and savage maneuverings that take place behind closed doors. Introduction by Dean Koontz Floyd Hubbard arrives at a convention at a busy beach-town hotel with a mission from the top brass: as a long-time manager in the sales team who has been slacking off for too long. Hubbard's a loyal company man, but his background is engineering, not cold-blooded corporate warfare. Little does Hubbard realize that the first grenade has already been lobbed—and he's the target. Cory Barlund has heard more than her fair share of odd requests in her years as a high-class call girl, so this one's right up her alley: pose as a journalist, seduce a visiting executive, and embarrass him in front of his colleagues. But after a night with Hubbard, Cory's having second thoughts. Hubbard's a good man. She might be falling for him. And the real hustlers are the ones on the convention floor. Praise for John D. MacDonald "My favorite novelist of all time . . . No price could be placed on the enormous pleasure that his books have given me."—Dean Koontz "To diggers a thousand years from now, the works of John D. MacDonald would be a treasure on the order of the tomb of Tutankhamen."—Kurt Vonnegut "John D. MacDonald remains one of my idols."—Donald Westlake DigiCat Publishing presents to you this special edition of "A Key to the Knowledge of Church History (Ancient)" by John Henry Blunt. In the Art Institute of Chicago's miniature Thorne Rooms, the Thorne Rooms key and a mysterious set of rings lead Ruthie and Jack to new historical eras and a woman who went missing as a young girl. This book was published to document the veracity of the depiction of slavery in Stowe's anti-slavery novel Uncle Tom's Cabin. It also provides insights into Stowe's own views on slavery. After the publication of Uncle Tom's Cabin, Southerners accused Stowe of misrepresenting slavery. In order to show that she had neither lied about slavery nor exaggerated the plight of enslaved people, she compiled A Key to Uncle Tom's Cabin. The book was subtitled "Presenting the Original Facts and Documents upon Which the Story Is Founded, Together with Corroborative Statements Verifying the Truth of the Work". The Key to the Door frames and highlights the stories of some of the first black students at the University of Virginia. This inspiring account of resilience and transformation offers a diversity of experiences and perspectives through first-person narratives of black students during the University of Virginia's era of incremental desegregation. The authors relate what life was like before enrolling, during their time at the University, and after graduation. In addition to these personal accounts, the volume includes a historical overview of African Americans at the University—from its earliest slaves and free black employees, through its first black applicant, student admission, graduate, and faculty appointments, on to its progress and challenges in the twenty-first century. Including essays from graduates of the schools of law, medicine, engineering, and education, The Key to the Door a candid and long-overdue account of African American experiences at the University of Virginia. Malory Price's life plan has hit a snag. She's in danger of losing her job managing an art gallery in Pleasant Valley, Pennsylvania. A welcome distraction comes in the form of an invitation to a cocktail party at Warrior's Peak, an infamous estate overlooking the town. But no one else she knows has been invited. . . There are only two other guests: Dana Steele, a librarian, and Zoe McCourt, a single mother. On the surface, it seems the women have nothing in common, until their mysterious hosts tell them a story—and offer them a challenge. Legend has it that the souls of three demigoddesses—one an artist, one a bard, and one a warrior—have been locked in a box that has three keys. Now it's up to Malory and the others to find the keys. Their reward: a million dollars each. It all seems too bizarre to be true. But none of them can ignore the financial windfall they stand to gain. And now Malory—with her soul of an artist and eye for beauty—must find her key first. She soon discovers that whatever locked the souls away is dark, powerful, and greedy. . .and it doesn't want the women to win.
