Politically Correct Moral Autonomy: Christianity Besieged! Stirring the Melting Pot to a Boil Feb 18 2020 On what basis should we accept or reject political or social philosophies that insist human nature, human wisdom and human cooperation have the potential to resolve our issues and problems if we buy into the morality espoused by liberal politics and liberal resolutions? Should we side with progressives who see most people as good, free to self-determine their own standards and will do the right thing if given the opportunity? Or with the right political and social contracts proposed by the "correct" party who see the morality of the liberal government as our correct way of achieving peace and prosperity? Should Christians have a place at the table? The challenge here and in all such debates is what constitutes acceptable moral standards and practices that accurately represent the will of the majority without denying the legal, social and moral rights of the minority? Then the question becomes how to correctly implement those standards. Here, each side should be challenged to present evidence and facts that either refute or prove the posited solutions or reforms can be validated by an acceptable objective authority or unbiased source. At this point, the debate demands proof or corroboration that the authorities being identified are trustworthy and beyond reproof. Is the authority a person, institution, document or charismatic leader and speaker? What evidence or past experiences corroborate their integrity and wisdom in dealing with the issue at hand? If you combine or spread the authority from the four different entities listed above, are you more likely to get subjective solutions based on human nature and human experience or divine solutions based on Christian theology and practice? One standard will insist that merit, integrity, honor and personal accountability is the better way to create more ethical and harmonious relationships while the other looks more towards fairness, inclusion and equality as the keys to harmony and prosperity. Here is where the rubber hits the road. Can any human, political party or institution claim superiority over all other authorities? If so, which one? In our system of government, a president and in most situations, his political party rules the roost for four years. Often, they dramatically change the moral and ethical atmosphere, refuting the direction of the preceding administration. Our checks and balances are primarily politically manipulated by the party in power and frequently are more rigged than balanced. Should our system be predicated on scriptural truth whose default is ethical accountability across the board or continue down the path where what is politically pragmatic and pluralistic enough to maintain control and power is the default? Political correctness cannot please all the people all the time. Nothing can. Which groups then should get priority; the ethical, accountable, sacrificial individuals and organizations, or the self-serving, you owe me, I deserve it groups who feel entitled to special privileges or rights? Meritocracy or hypocrisy? God's ethics or man's identity politics' morality?

Faithful and Courageous Sep 19 2022 This book engages readers in personal reflection and group discussion of what it means to be a follower of Jesus Today. The Good and Faithful Servant Dec 30 2020 A "26 week course of study and conversation for small groups on the variety of subjects that Christians interested in politics must consider as they contemplate their lives as citizens in a free society" was written for mainstream and evangelical Catholics and Protestants by "a center-right evangelical with deep roots in the Roman Catholic and Presbyterian traditions," who is also a nationally syndicated conservative radio show host. The author states his view that a vote in 2008 for Barack Obama would have been "simply impossible for most faithful Christians to cast--if they have studied the issues and their obligations as a citizen of this world and of the kingdom.' Many of his weekly lessons deal with the author's interpretation of President Obama's political positions. Scripture references are from the New King James version of the Bible *Christ's first Sermon; or, the absolute necessity, duty and Christian practice, of repentance: opened and applied by a godly, able, and faithful minister of Jesus Christ [John Hart. In Search of Faithfulness Apr 14 2022 Why is Christian faithfulness virtually invisible in American society today? Where are God's faithful people and what do they look like? In an effort to answer these questions, William E. Diehl records the results of his own search for faithfulness. "I decided to look for faithfulness in those very places where it appeared not to be - in the world of business, for instance. And I decided to use exactly the same approach used by Peters and Waterman in their best seller, In Search of Excellence." Using real-life stories to illustrate both the successes and problems of Christian faithfulness in the world community, Diehl concludes that the church must do a better job in nurturing growth in faith.

Exiles on Mission May 23 2020 Many Christians in the West sense that traditional Christian teaching is losing traction in the public square. What does faithful Christian witness look like in a post-Christian culture? Paul Williams, the CEO of one of the world's largest and oldest Bible societies, interprets the dissonance Christians often experience while trying to live out their faith in the 21st century. He provides constructive tools to help readers understand culture in myriad contexts and offer a missional response. Williams calls for a truly missional understanding of post-Christendom Christianity whereby local churches are reimagined as embassies of the kingdom of God and Christians serve as ambassadors in all spheres of life and work. This book invites readers to embrace the language of exile and imagine a hopeful mission of the scattered and gathered church in the post-Christian West. It shows a clear pathway for fruitful missional engagement for the whole people of God, helping Christians make sense of the world in which they live, more authentically integrate faith with everyday life, and orient all of their efforts within God's missional purpose for the world.

Unfettered Hope Oct 28 2020 In this prophetic call to faithful Christian living, Marva Dawn identifies the epidemic socio-cultural attitudes that destroy hope in our modern lives. Because affluent persons don't know what to value--how to choose what's important and weed out the rest--we remain dissatisfied with what we have and are compelled to want more. Dawn demonstrates, however, how Christians can organize their lives to live in ways that allow them to love God and neighbor and, in the process, alleviate the despair in their lives and in the lives of others in the world.

Being a Christian Faithful Or Secular Apr 02 2021 Read Bible verses and actually understand them for faithful Christians. This book, covering most of Acts and all of Romans, and removes the mystery of what a verse is actually saying. There are two sections covered in Book 1, that starts with the introduction of Saul of Tarsus, later known as Apostle Paul. Verses come alive as the verse is broken down into meaningful understanding for readers. Look at the first two verses of Acts Chapter 6 and see how it was made clearer: Acts 6:1-2 And in those days [immediately following Jesus' death on the Cross], when the number of the disciples [of the Lord, Jews who believe Jesus is the Messiah] was multiplied [with new disciples of the Lord], there arose a murmuring [mumbling] of the Grecians [Jewish Greeks] against the Hebrews, because their widows were neglected in the daily ministration [attention/care of the poor]. 2. Then the twelve [Apostles of Jesus, overseers of the needs of the disciples of the Lord] called the multitude of the disciples [of the Lord] unto them, and said, `It is not reason[able] that we [twelve Apostles] should leave the word of God, and serve tables [for the poor]. For the first time, readers enjoy understanding the verses of the Bible. You can study the Christian lifestyle even if you're not a Church goer. Faithful to Christ: A Challenge to Truly Live for Christ Jan 23 2023 Only fear the Lord and serve Him in truth with all your heart; for consider what great things He has done for you. - 1 Samuel 12:24 If there is a true faith, there must be a declaration of it. If you are a candle, and God has lit you, then let your light so shine before men that they may see your good works and glorify your Father who is in the heavens (Matthew 5:16). Soldiers of Christ must, like soldiers of our nation, wear their uniforms; and if they are ashamed of their uniforms, they ought to be drummed out of the army. I believe that many Christians get into a lot of trouble by not being honest in their convictions. For instance, if a person goes into a workshop, or a soldier into a barracks, and if he does not fly his flag from the beginning, it will be very difficult for him to run it up afterwards. But if he immediately and boldly lets them know, "I am a Christian, and there are certain things that I cannot do to please you, and certain other things that I cannot help doing even though they might displease you" - when that is clearly understood, after a while the peculiarity of the thing will be gone, and the person will be let alone. However, if he is a little dishonest and thinks that he is going to please the world and please Christ too, he can depend on it that he is in for a rough time. If he tries the way of compromise, his life will be like that of a toad under a harrow or a fox in a dog kennel. That will never do. Come out. Show your colors. Let it be known who you are and what you are. Although your course will not be smooth, it will certainly not be half as rough as if you tried to run with the hare and hunt with the hounds, which is a very difficult piece of business. - Charles H. Faithful Friendships Mar 21 2020 Friendship isn't always given a lot of thought--and lately, it doesn't get a lot of time and effort, either. But in a world of busy and isolated lives, in which friendships can too easily become shallow, tenuous, and homogeneous, Dana Robert insists that good friendships are a vital and transformative part of the Christian life--a mustard seed of the kingdom of God. She believes Christians have the responsibility--and opportunity--to be countercultural by making friends across cultural, racial, socioeconomic, and religious lines that separate people from each other. In this book Robert tells the stories of Christians who, despite or even because of difficult circumstances, experienced friendship with people unlike themselves as 'God with us', as exile, as testimony, and as celebration

Free and Faithful in Christ: The Truth will set you free Sep 07 2021

Faiths and Faithfulness Jan 31 2021 How are people of faith to be faithful to their various traditions in today's diverse society? How may we live together as neighbors and yet remain true to our differing religious convictions? How is it possible for the contemporary Christian to confess the Lordship of Jesus Christ in a world of many faiths? These are some of the fundamental questions which this volume seeks to explore. It offers a critical account of two key twentieth-century missionary-theologians who attempted to address the issue of pluralism within a confessional framework: Bishop Kenneth Cragg and Bishop Lesslie Newbigin. This study argues for a reconsideration of the biblical themes of fullness and fulfillment which may offer a way of holding together the traditions of continuity, which Cragg shows can never be total, and of discontinuity, which Newbigin argues can never be absolute. In this way the book addresses some of the implications for the development of an appropriate missiological approach to inter-faith issues in the twenty-first century which requires us to take people of faith seriously but also allows faithfulness to the Christian gospel.

Faithful Witness in a Fractured World Mar 01 2021 Christians have always looked to models within the Christian faith to guide their lives. At a time when the church is more identifiable by ugly partisan politics--what we call "crappy Christianity"--than by compassionate neighbor love, this book highlights the lives and work of seven individuals who are pursuing their Christian calling in humility and profound love for and service to others, this book highlights the lives and work of seven individuals who are pursuing their Christian calling in humility and profound love for and service to others. Their commitments have led to vocations in working with homeless women, employing refugees, lobbying on Capitol Hill for environmental protection, healing trauma in urban communities, peacemaking in Israel-Palestine, advocating for immigrants, and walking alongside people in

addiction recovery. Their individual and collective witness offer compelling examples of authentic Christian life, which is marked in part by active, embodied faith in pursuit of the common good; a broad and inclusive love for all people; rightly ordered political identities and loyalties; and a commitment to work toward holistic redemption of both people and the systems that constitute our life together. In contrast to much of contemporary American Christianity, these models of faith demonstrate that Christians should focus much more on what we are for rather than what we are against. [Being Faithful: Christian Commitment in Modern Society](#) Mar 13 2022 This book explores how the Christian life is lived in a pluralistic situation where different contexts of belonging give rise to different moral challenges. While it is characteristic of modern life to exist in a postmodern situation where there is an erosion of comprehensive systems of meaning, we still live today in contexts of belonging. We still seek to gather out of the fragments of modern life the sustenance of a network of belonging, belief and practice which comprise a faithful life. The construction of such a life, not only for us, but for others, serves as the framework for our moral commitments. Furthermore, sustaining and transforming social frameworks which shape various aspects of human life form the life task of adult Christians.

[Faithful Performances](#) Nov 16 2019 The metaphor of performance has been applied fruitfully by anthropologists and other social theorists to different aspects of human social existence, and furnishes a potentially helpful model in terms of which to think theologically about Christian life. After an introductory editorial chapter reflecting on the nature of artistic performance and its relationship to the notions of tradition and identity, Part One of this book attends specifically to the phenomenon of dramatic performance and possible theological applications of it. Part Two considers various aspects of the performance of Christian identity, looking at worship, the interpretation of the Bible, Christian response to elements in the contemporary media, the shape of Christian moral life, and ending with a theological reflection on the shape of personal identity, correlating it with the theatrical metaphors of 'character' and 'performing a part' in a scripted drama. Part Three demonstrates how art forms (including some technically non-performative ones - literature, poetry, painting) may constitute faithful Christian practices in which the tradition is authentically 'performed', producing works which break open its meaning in profound new ways for a constantly shifting context.
