tag weak subject areas, and customize question sets. License includes 2 years of online access to the AUD, BEC, FAR and REG question sets. A personal pin code is provided in the package that may be activated online at any time. Your license starts at time of pin code activation. Updated for the 2019 CPA Exam Rationales, hints, and full text explanation for every multiple-choice question Full practice exams that fully replicate the real CPA Exam interface View your progress by topic, and understand where you have reached passing threshold Customize reports by including or excluding saved sessions Filter progress reports by subtopic and view as a raw score or in percentages Questions are randomized to prevent memorization Create unlimited custom practice sessions and tests Works on any computer or tablet Internet access required How To Pass The CPA Exam Aug 16 2022 A CPA exam guide written specifically for international students The US CPA qualification exam is the most popular professional accounting qualification not just in the United States, but around the world as well. As international testing centers open across the globe, increasing numbers of non-American

students are taking the exam, but lack a study resource written specifically for them. Author Stephanie Ng passed the exam in less than a year and operates a popular exam test-prep website at [IPassTheCPAExam.com](http://IPassTheCPAExam.com). In *How to Pass the CPA Exam*, Ng explains her techniques and study tactics specifically for students outside the United States. A comprehensive and practical study guide for CPA exam students outside the United States. Written by the operator of a highly popular test-prep website for international students. Includes practical and effective test-prep resources. Packed with smart advice presented from an international perspective, *How to Pass the CPA Exam* is a must for international students preparing for the test.
