Framed by her own personal struggle with bulimia and body dysmorphia, Maria Koutsogiannis' Mindful Vegan Meals traces the foods she ate to get her to the next stage of her recovery in a way that will inspire and help others with this large and growing problem as evidenced by her large social media following. Maria pairs stories of her recovery from bulimia and body dysmorphia with the recipes that kept her body nourished along the way, giving an intimate look at how she went from eating disorder to proclaiming her personal mantra: "Fear not. Food is your friend." Packed with vibrant and healthy recipes inspired by her journey, including milestone recipes like the first carbs she allowed herself to eat, Mindful Vegan Meals offers a hopeful look at life while overcoming an eating disorder. This book will have 75 recipes and 75 photos. NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble to the sidelines of the

NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits are formed but how to kick bad ones and hang on to the good.”—Financial Times “A flat-out great read.”—David Allen, bestselling author of *Getting Things Done: The Art of Stress-Free Productivity* “You’ll never look at yourself, your organization, or your world quite the same way.”—Daniel H. Pink, bestselling author of *Drive* and *A Whole New Mind* “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the science of habit formation and change.”—The New York Times Book Review “A propulsive narrative filled with boldfaced names from business and politics. At times, it is a dishy score settler.”—The New York Times For nine years, Rajat Gupta led McKinsey & Co.—the first foreign-born person to head the world’s most influential management consultancy. He was also the driving force behind major initiatives such as the Indian School of Business and the Public Health Foundation of India.

A globally respected figure, he sat on the boards of distinguished philanthropic institutions such as the Gates Foundation and the Global Fund to Fight AIDS, Tuberculosis and Malaria, and corporations, including Goldman Sachs, American Airlines, and Procter & Gamble. In 2011, to the shock of the international business community, Gupta was arrested and charged with insider trading. Against the backdrop of public rage and recrimination that followed the financial crisis, he was found guilty and sentenced to two years in jail. Throughout his trial and imprisonment, Gupta has fought the charges and maintains his innocence to this day. In these pages, Gupta recalls his unlikely rise from orphan to immigrant to international icon as well as his dramatic fall from grace. He writes movingly about his childhood losses, reflects on the challenges he faced as a student and young executive in the United States, and offers a rare inside glimpse into the elite and secretive culture of McKinsey, "the Firm." And for the first time, he tells his side of the story in the scandal that destroyed his career and reputation. Candid, compelling, and poignant, Gupta's memoir is much more than a courtroom drama; it is an extraordinary tale of human resilience and personal growth. How The Most Successful People In The World Get Things Done In this book you will not only find a series of tips and techniques that will help you to wake up early, you will also find a variety of strategies that will help you to make the most out of your morning the moment that your alarm begins to go off. how big the problem is that you are facing, with this book you will be sure to find a solution. So, let's not waste any more time! Let's get you the tips you need to start energizing your mornings right now! Learn 11 Tips That Will Help You Achieve Massive Results Helping You To Find The Motivation You Need To Wake Up Early When Should You Get Up? The Importance of Sleep The Art Of Waking Up Early Tips To Rising Early The Importance Of Creating A Night Time Routine 5 AM is simply a magical time to wake up and begin your day. You will achieve mental clarity and simply get things done. There will be no distractions from your phone, social media or even friends and family - everyone is sleeping. Download This Book Today Tags: Morning Ritual, Morning Routine, Morning Habits, Peak Productivity, Time Management, Happiness, Productivity Be more effective with less effort by learning how to identify and leverage the 80/20 principle: that 80 percent of all our results in business and in life stem from a mere 20 percent of our efforts. The 80/20 principle is one of the great secrets of highly effective people and organizations. Did you know, for example, that 20 percent of customers account for 80 percent of revenues? That 20 percent of our time accounts for 80 percent of the work we accomplish? The 80/20 Principle shows how we can achieve much more with much less effort, time, and resources, simply by identifying and focusing our efforts on the 20 percent that really counts. Although the 80/20 principle has long influenced today's business world, author

Richard Koch reveals how the principle works and shows how we can use it in a systematic and practical way to vastly increase our effectiveness, and improve our careers and our companies. The unspoken corollary to the 80/20 principle is that little of what we spend our time on actually counts. But by concentrating on those things that do, we can unlock the enormous potential of the magic 20 percent, and transform our effectiveness in our jobs, our careers, our businesses, and our lives. OWN YOUR MORNING, ELEVATE YOUR LIFE

#1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off

course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal. What if you could change your life--without changing your life? Gretchen had a good marriage, two healthy daughters, and work she loved--but one day, stuck on a city bus, she realized that time was flashing by, and she wasn't thinking enough about the things that really mattered. "I should have a happiness project," she decided. She spent the next year test-driving the wisdom of the ages, current scientific studies, and lessons from popular culture about how to be happier. Each month, she pursued a different set of resolutions: go to sleep earlier, quit nagging, forget about results, or take time to be silly. Bit by bit, she began to appreciate and amplify the happiness that already existed in her life. Written with humour and insight, Gretchen's story will inspire you to start your own happiness project. Now in a beautiful, expanded edition, Gretchen offers a wealth of new material including happiness paradoxes and practical tips on many daily matters: being a more light-hearted parent, sticking to a fitness routine, getting your sweetheart to do chores without nagging, coping when you forget someone's name and more. In the groundbreaking national bestseller *The Monk Who Sold His Ferrari*, internationally respected author and speaker Robin S. Sharma showed us a powerful way to dramatically improve the quality of our personal and professional lives based on timeless success principles from both the East and the West. In doing so, he helped many thousands and sparked a phenomenon. Now, in *Leadership Wisdom*, his much-awaited follow-up, Sharma has a new mission: to help you become the kind of visionary leader you deserve to be and transform your business into an organization that thrives in this age of dizzying change. With deep insight and compelling examples, this truly innovative thinker shares an ageless yet eminently practical blueprint for effective leadership that is certain to manifest the highest human gifts of the people you lead and unlock loyalty, commitment and creativity in the process. Written as an easy to read and highly entertaining fable, *Leadership Wisdom* is the powerful story of Julian Mantle, a hard-driving corporate player who, after suffering a massive heart attack one Monday morning, decides to embark on an odyssey to the Himalayas in search of the great truths for effective

leadership in business and in life. In a tale that will change the way you think about leadership forever, Julian discovers eight timeless rituals practiced by every truly visionary leader, eight rituals that you, as a leader seeking to excel in these information-crazed times, can easily use to energize your team and elevate your entire organization to world-class levels of productivity, performance and passion. Leadership Wisdom is a unique treasure of a book that will awaken the fullness of your leadership potential, transform your company and deeply enrich the quality of your professional as well as your personal life. What can you learn from a Silicon Valley legend and a pantheon of iconic leaders? The key to scaling a successful business isn't talent, network, or strategy. It's an entrepreneurial mindset—and that mindset can be cultivated. "If you're scaling a company—or if you just love a well-told story—this is a book to savor." —Robert Iger, #1 New York Times bestselling author of *The Ride of a Lifetime* Behind the scenes in Silicon Valley, Reid Hoffman (founder of LinkedIn, investor at Greylock) is a sought-after adviser to heads of companies and heads of state. On each episode of his podcast, *Masters of Scale*, he sits down with a guest from an all-star list of visionary founders and leaders, digging into the surprising strategies that power their company's growth. In this book, he draws on their most riveting, revealing stories—as well as his own experience as a founder and investor—to distill the secrets behind the most extraordinary success stories of our times. Here,

Hoffman teams up with Masters of Scale's executive producers to offer a rare window into the entrepreneurial mind, sharing hard-won wisdom from leaders of iconic companies (including Apple, Nike, Netflix, Spotify, Starbucks, Google, Instagram, and Microsoft) as well as the bold, disruptive startups (such as 23andMe, TaskRabbit, Black List, and Walker & Co.) that are solving the problems of the twenty-first century. Through vivid storytelling and incisive analysis, Masters of Scale distills their collective insights into a set of counterintuitive principles that anyone can use. How do you find a winning idea and turn it into a scalable venture? What can you learn from a "squirming no"? When should you stop listening to your customers? Which fires should you put out right away, and which should you let burn? And can you really make money while making the world a better place? (Answer: Yes. But you have to keep your profits and values aligned.) Based on more than a hundred interviews and including a wealth of new material never aired on the podcast, this unique insider's guide will inspire you to reimagine how you do business today. Once in a while, a book comes along that changes how you think, feel, and act every day. In *Eat Move Sleep*, #1 New York Times bestselling author Tom Rath delivers a book that will improve your health for years to come. While Tom's bestsellers on strengths and well-being have already inspired more than 5 million people in the last decade, *Eat Move Sleep* reveals his greatest passion and expertise. Quietly

managing a serious illness for more than 20 years, Tom has assembled a wide range of information on the impact of eating, moving, and sleeping. Written in his classic conversational style, *Eat Move Sleep* features the most proven and practical ideas from his research. This remarkably quick read offers advice that is comprehensive yet simple and often counterintuitive but always credible. *Eat Move Sleep* will help you make good decisions automatic — in all three of these interconnected areas. With every bite you take, you will make better choices. You will move a lot more than you do today. And you will sleep better than you have in years. More than a book, *Eat Move Sleep* is a new way to live. Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons "should be read by every leader in America" (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his

speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments. "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes Do you ever wonder why some people always seem to succeed, and others fail? You already have access to all you need. If you want to learn how to use your true ability to access the secrets of success, then this may be the most important book you read this year, here's why ... But first a warning: Despite how success is portrayed in the media, or in movies, most of it doesn't happen overnight. The principles in this book are readily at your disposal right now, but some of them take time to implement in your life. If you are impatient, or looking for a quick fix, this book probably isn't for you. On the other hand, if you are willing to implement some simple habits and new mindset ideas into your life, then we encourage you to read on. Most "overnight" successes have been developed with small changes in daily habits and mindset tweaks, one day at a time. You will be surprised how simple these habits are, yet the majority of the people you know do not implement them on a

regular basis. We asked over 20 experts to describe these habits for us, and the result was The Success Code. The Success Code is a life lesson of habits, mindsets and stories of how they have been used to overcome obstacles and achieve success. It's more than just about habits though.... How to change your career (and your income), even if you have no idea how You need to work your way up to your dream job, right? Wrong! The 3 things you must absolutely do to recover when you find yourself down in the drudgery of despair (whether personally or in your business) Where to find help when you need it most, think Luke Skywalker How to eliminate the thoughts that make you poor Why you should never fight it when you are having a breakdown Why doing less will help you produce more and reduce stress Say Goodbye to unrealized goals when you make this one change What to do to reach the OMG level of your brand When it is ok to pivot your life, and how to reframe your mind to do it The Truth about maximizing your time and energy each day Yes, that's a lot of great information, but it gets better because you are also getting access to all of the private video conversations with the authors about these breakthrough principles (Sept 2020). Start using these principles in your life! Order your copy of The Success Code Now! Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best

health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, *The 5am Club* will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, *The 5am Club* is a work that will transform your life. Forever. The #1 international bestseller, now in paperback! For more than four

decades, Robin Sharma has crossed the globe helping people lead lives that inspire the world. Now, in *The 5 AM Club*, he shares his original insights and the battle-tested tools he has developed by working with the most successful people on the planet. Based on the key insight that winning starts at the beginning of the day, Sharma shows how you can reduce stress, improve focus, unleash uncommon creativity, achieve exponential productivity and restore balance. Just one hour a day can change your life. Includes a bonus excerpt of Robin Sharma's upcoming *The Secret Letters of the Monk Who Sold His Ferrari*. With more than four million copies sold in fifty-one languages, *The Monk Who Sold His Ferrari* launched a bestselling series and continues to help people from every walk of life live with far greater success, happiness and meaning in these times of dramatic uncertainty. *The Monk Who Sold His Ferrari* celebrates the story of Julian Mantle, a successful but misguided lawyer whose physical and emotional collapse propels him to confront his life. The result is an engaging odyssey on how to release your potential and live with passion, purpose and peace. A brilliant blend of timeless wisdom and cutting-edge success principles, *The Monk Who Sold His Ferrari* is now, more than ever, a guide for the times, as countless Canadians dedicate themselves to living a life where family, work and personal fulfillment are achieved in harmonious balance. *The Anger of Saintly Men* is the story of three brothers, Sonu, Anu and Vicky, growing up in the 90s.

A new decade has started. *Maine Pyar Kiya* has just been released. Young boys are having wet dreams after imagining what Salman Khan saw when Bhagyashree undraped herself for him on that windy night. The three brothers have just moved to their new, first and last home, which they name, Chuhedani. *The Anger of Saintly Men* explores how little boys are made men in Indian households. A story of sexual awakening, heartbreak and growing up under the shadow of India's first wave of liberalisation. Told with compassion, the book delves deep into issues of masculinity, caste, class, homophobia and shame. *The Anger of Saintly Men* questions systems which have crushed men's expectations, desires & hopes for centuries. One of the first novels that compels us to think on how we raise men and patriarchy's deep grip on men's life. In the explosive conclusion to the New York Times bestselling *Charlotte Holmes* series, Holmes and Watson think they're finally in the clear after graduating from Sherringford...but danger awaits in the hallowed halls of Oxford. *Charlotte Holmes* and *Jamie Watson* finally have a chance to start over. With all the freedom their pre-college summer program provides and no one on their tail, the only mystery they need to solve, once and for all, is what they are to each other. But upon their arrival at Oxford, *Charlotte* is immediately drawn into a new case: a series of accidents befell the theater program at Oxford last year, culminating in a young woman going missing on the night of a major performance. The mystery has gone unsolved; the case

is cold. And no one—least of all the girl’s peculiar, close-knit group of friends—is talking. When Watson and Holmes join the theater program, the “accidents” start anew, giving them no choice but to throw themselves into the case. But as the complicated lines of friendship, love, and loyalty blur, time is running out—and tragedy waits in the wings. From the author of "The Monk Who Sold His Ferrari" comes an inspiring parable about the skills needed to excel in career and life. What's being widely regarded as "one of the most life changing books ever written" may be the simplest approach to achieving everything you've ever wanted, and faster than you ever thought possible.
