Ghosts and Goblins and Murder Feb 18 2020 A fourth cozy mystery installment to die for! It was almost as if someone wrapped the room in a cold hand, chill in the air triggering goosebumps on my skin. I caught motion in the corner of my eye, turned in time to see a glowing, ghostly figure float through the pocket door and come to a halt at the far end of the table. This time, rather than a static image, the young man raised both arms, eyes black pits of emptiness, mouth gaping open as he reached for Emelia. Who screamed and reached back. "Manuel!" I'd be nominating Sadie for an Oscar for this performance. Right after my terror at this new and utterly believable trick allowed me to breathe. When the psychic leading the seance she's attending ends up dead, Fee can't help but feel like her bad luck yet again put her in the wrong place at the wrong time. With Sheriff Crew Turner ordering her to stay out of it or else, her father, retired from the force or not, egging her on and a string of murders begging to be solved, she can either go home and be a good B&B owner or find out whodunit! cozy murder mystery series, cozy murder mystery, cozy murder mystery books, cozy murder, cozy murder mysteries, animal cozy mystery, animal cozy

Ameri-Scares Montana: Ghosts in the Dust Jan 19 2020 Cascade County, Montana... Middle schoolers Johnel Walker, Tony Walker, and Elliot Green have formed a summer book club. They gather beneath a shady tree twice a week in the Walkers' backyard to read, discuss, and trade the books they've selected. Usually, the club members agree on the chosen books. But when Elliot shows them a crusty, dirt-coated, ancient book he discovered in an abandoned cabin and says it's one they should read next, Johnel and Tony aren't impressed. They want Elliot to put the book back. Yet the book—or what's inside it—has other ideas. It seems there are terrifying, red-eyed ghosts of people from the past anxious to get out of the book and into present day. Elliot, Jonell, and Tony find there is nothing they can do to stop them from emerging. And so, the club members must face the ghosts, figure out what they want, and try to stop the menace. Each Ameri-Scares novel is based on or inspired by an actual historical event, folktale, or legend specific to the state in which the story is set.

As she gets closer to them, and closer to Cade, a boy who seems determined to get to know her better, she realizes that she's not the only one with reasons to be angry at Luke.
