Realizing River City Nov 06 2021 It ' s a story about loss, love, compassion, and finally redemption. At times, life can feel like a challenging feat of survival. Whether it ' s living through abusive relationships or figuring out the complexities of what it means to be a woman searching for love, Realizing River City is a memoir that proves how despite the troubles we may face, there is hope in the way we continually risk ourselves in search for the life we want to live. In her poetic exploration of past relationships, Melissa Grunow ' s honest words do not falter in the face of so much loss. Taking the rage we all feel about grief and pain, and funneling it into truth, beauty, and ultimately redemption on each page, Realizing River City is about discovering how the most important relationship is the one we have with ourselves. Realizing River City Just the Right balance of vulnerability and strength.

Stones from the River Oct 05 2021 From the acclaimed author of Floating in My Mother ' s Palm and Children and Fire, a stunning story about ordinary people living in extraordinary times— “ epic, daring, magnificent, the product of a defining and mesmerizing vision ” (Los Angeles Times). Trudi Montag is a Zwerg—a dwarf—short, undesirable, different, the voice of anyone who has ever tried to fit in. Eventually she learns that being different is a secret that all humans share—from her mother who flees into madness, to

her friend Georg whose parents pretend he ' s a girl, to the Jews Trudi harbors in her cellar. Ursula Hegi brings us a timeless and unforgettable story in Trudi and a small town, weaving together a profound tapestry of emotional power, humanity, and truth.

The River at Night Jun 20 2020 Stifled by a soul-crushing job, devastated by the death of her beloved brother, and lonely after the end of a fifteen-year marriage, Wini is feeling vulnerable. So when her three best friends insist on a high-octane getaway for their annual girls' trip, she signs on, despite her misgivings. A freak accident leaves the women stranded, separating them from their raft and everything they need to survive. When night descends, a fire on the mountainside lures them to a ramshackle camp that appears to be their lifeline. But as Wini and her friends grasp the true intent of their supposed saviors, long buried secrets emerge and lifelong allegiances are put to the test.

A River Never Sleeps Jan 20 2023 Few books have captured the haunting world of music and rivers and of the sport they provide as well as A River Never Sleeps. Roderick L. Haig-Brown writes of fishing not just as a sport, but also as an art. He knows moving water and the life within it—its subtlest mysteries and perpetual delights. He is a man who knows fish lore as few people ever will, and the legends and history of a great sport. Month by month, he takes you from river to river, down at last to the saltwater and the sea: in January, searching for the steelhead in the dark, cold water; in May,

fishing for bright, sea-run cutthroats; and on to the chilly days of October and the majestic run of spawning salmon. All the great joy of angling is here: the thrill of fishing during a thunderstorm, the sight of a river in freshet or a river calm and hushed, the suspense of a skillful campaign to capture some half-glimpsed trout or salmon of extraordinary size, and the excitement of playing and landing a momentous fish. *A River Never Sleeps* is one of the enduring classics of angling. It will provide a rich reading experience for all who love fishing or rivers. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Forbidden Falls Nov 25 2020 Welcome back to Virgin River with the books that started it all... Reverend Noah Kincaid moved to Virgin River to reopen an abandoned church he bought on eBay. Like Noah, the place is a little empty inside, but all it may need is some loving care... The young widower arrives ready to roll up his sleeves and build a place of worship and welcome, but he needs some help. And the Lord works in mysterious ways. With her tight shirts and short skirts, pastor 's assistant is not a phrase that springs to mind when Noah meets brassy, beautiful Alicia Baldwin. The former

exotic dancer needs a respectable job so she can regain custody of her children. And Noah can't help but admire her spunk and motherly determination. Noah and Alicia are an unlikely team to revitalize a church, much less build a future. The couple has so many differences, but in Virgin River anything is possible, and happiness is never out of the question.

Long Bright River Oct 13 2019 "A suspense novel that also looks at the anatomy of a Philadelphia family rocked by the opioid crisis and the relationship between two sisters--one, suffering from addiction, who has suddenly gone missing amid a series of mysterious murders; the other a police officer who patrols the neighborhood from which she disappeared: a story about the formidable ties between place, family, and fate" --

River Marked May 20 2020 In the sixth novel in the #1 New York Times bestselling series, coyote shifter Mercy Thompson and Alpha werewolf Adam finally reach the alter. But when they make the Columbia River their honeymoon destination, their newlywed bliss turns into a fight for survival... Being a different breed of shapeshifter—a walker—Mercy can see ghosts, but the spirit of her long-gone father has never visited her. Until now. An evil is stirring in the depths of the Columbia River—and innocent people are dying. As other walkers make their presence known to Mercy, she must reconnect with her heritage to exorcise the world of the legend known as the river devil.

What Is a River? Dec 19 2022 A river is a thread, embroidering our world. This non-fiction picture book brings attention to the rivers that stitch and thread our world together.

Shelter Mountain Dec 27 2020 Welcome back to Virgin River with the books that started it all... Rediscover the romances and friendships of this small California town from #1 New York Times bestselling author Robyn Carr. Now a Netflix Original Series! For the second time in a year, a woman arrives in the small town of Virgin River trying to escape her past. John "Preacher" Middleton is about to close the bar when a young woman and her three-year-old son come in out of the wet October night. A marine who has seen his share of pain, Preacher knows a crisis when he sees one—the woman is covered in bruises. He wants to protect them, and to punish whoever did this, but he knows immediately that this is more than just instinct. Paige Lassiter has stirred up emotions in this gentle giant of a man—emotions that he has never allowed himself to feel. Then Paige's ex-husband turns up in Virgin River. And if there's one thing the marines' motto of Semper Paratus—always faithful—has taught Preacher, it's that some things are worth fighting for. Previously published. The Line Becomes a River Jan 16 2020 The instant New York
Times bestseller, "A must-read for anyone who thinks 'build a
wall' is the answer to anything." --Esquire For Francisco Cantú,
the border is in the blood: his mother, a park ranger and
daughter of a Mexican immigrant, raised him in the
scrublands of the Southwest. Haunted by the landscape of his
youth, Cantú joins the Border Patrol. He and his partners are
posted to remote regions crisscrossed by drug routes and
smuggling corridors, where they learn to track other humans
under blistering sun and through frigid nights. They haul in
the dead and deliver to detention those they find alive. Cantú
tries not to think where the stories go from there. Plagued by
nightmares, he abandons the Patrol for civilian life. But when
an immigrant friend travels to Mexico to visit his dying
mother and does not return, Cantú discovers that the border
has migrated with him, and now he must know the whole
story. Searing and unforgettable, The Line Becomes a River
goes behind the headlines, making urgent and personal the
violence our border wreaks on both sides of the line

Summer on the River Feb 09 2022 Evie loved the house. The
bright, sunny rooms looking across the river. The terraced
gardens with fruit trees growing against the high stone walls.
The scent of lavender at the end of a hot day. It was a family

house. As summer beckons, Evie's family gathers once more at the beautiful old riverside house they all adore. But when Evie discovers a secret that threatens their future, a shadow falls over them all: this summer by the river could be their last together . . . For Charlie, a visit home to see stepmother Evie is an escape from his unhappy marriage in London. Until a chance encounter changes everything: in the space of a moment, he meets a woman by the river, falls in love, and his two worlds collide. As Evie and Charlie struggle to keep their secrets safe, they long for the summer to never end . . . Can the happiness of one summer last for ever? Marcia Willett writes heartwarming and captivating novels set in the West Country - perfect for fans of Erica James, Santa Montefiore and Victoria Hislop "

The River Knows Aug 23 2020 The first kiss occurred in a dimly-lit hallway on the upper floor of Elwin Hastings's grand house. Louisa never saw it coming ...Of course, Anthony Stalbridge couldn't possibly have had romantic intentions. The kiss was an act of desperation, meant to distract the armed guard about to catch the pair in a place they did not belong. After all, Louisa Bryce is no man's idea of an alluring female in her dull maroon gown and gold-rimmed spectacles. The only thing the two interlopers have in common is a passionate interest in the private affairs of Mr. Hastings - a prominent member of Victorian Society whom they both suspect of hiding terrible secrets. Each has a reason for the quest. Anthony's fiancée was said to have thrown herself into the Thames - but Anthony has his own suspicions. Louisa - whose own identity is shrouded in layers of mystery - is convinced Hastings has a connection to a notorious brothel.

But bringing Hastings to justice will be more perilous than either anticipates - and their hasty partnership will be more heated than either expects.

Once a River Sep 16 2022 Like many rivers of the arid Southwest, the Gila is for much of its length a dry bed except after seasonal rains. Yet a mere century ago it hosted a thriving biological community, and two centuries ago American Indians fished from its banks. It is no mystery how the desert swallowed up the Gila. Beaver trapping, overgrazing, and woodcutting first ruined natural watersheds, then damming confined the last drops of its surface flow. Historical sources and archaeological data inform us of the Gila's past, but its bird life further testifies to the changes. Amadeo Rea traces the decline of bird life on the Middle Gila in a book that addresses the broader issue of habitat deterioration. Bird lovers will find it a storehouse of data on avian migration patterns and on ornithological classification based on skeletal structure. Anthropologists can draw on its Piman ethnoclassification of birds, which links the Gila River tribe with various other Uto-Aztecan peoples of Mexico's west coast. But for all concerned with protecting our environment, Once a River offers evidence of change that might be apprehended elsewhere. It is a case history of a loss that perhaps need never have occurred.

A Week on the Concord and Merrimack Rivers Apr 11 2022
The Lower River Dec 15 2019 Idealizing the four years he spent in Malawi with the Peace Corps, Ellis Hock is abruptly divorced by his wife and decides to return to Africa only to find the region devastatingly transformed by poverty and apathy. 35,000 first printing.

The River May 12 2022 NATIONAL BESTSELLER • From the best-selling author of *The Dog Stars* comes the story of two college students on a wilderness canoe trip—a gripping tale of a friendship tested by fire, white water, and violence. "A fiery tour de force ... I could not put this book down. It truly was terrifying and unutterably beautiful."—The Denver Post

Wynn and Jack have been best friends since college orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. One night, with the fire advancing, they hear a man and woman arguing on the fog-shrouded riverbank; the next day, a man appears on the river, paddling alone. Is this the same man they heard? And if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

The River Never Looks Back Feb 21 2023 This is a book about the theory and practice of the method of systemic family constellation. Ursula Franke provides a well-grounded historical overview of the precursors to family constellations. In addition, she presents and defines the central terminology of these methods. The author presents a model that attempts to explain the efficacy of constellations. The empirical section allows the reader to take a look at the procedure that is used in the process of a constellation. In addition, the possibilities for and limitations of using constellations in individual therapy are discussed. The study presented in "The River never looks back" focuses on therapy with anxiety patients. The results of the study can be used in regular psychotherapeutic practices, and is thus helpful for all therapists who work with constellations.

River Bones Feb 15 2020 A serial killer is on the loose in Sacramento River Delta. When Sara Mason returns to her hometown to start a new life, she learns that a murderer is terrorizing its residents. Despite battling difficult childhood memories, Sara is determined to make peace with her past. But she soon learns that the elusive psychopath is now stalking her. Sara's attempt to rebuild her life is hindered

even more by the discovery of skeletal remains on her property. As the investigation focuses on several suspects, Sara discovers critical clues and bravely volunteers to be a decoy for the sheriff's department. Sara's destiny has brought her back home, but will her decision lead her down a path lined with danger... and straight into the arms of a madman?

Seventy Years in Texas Jul 22 2020

Science Be Dammed Nov 18 2022 Science Be Dammed is an alarming reminder of the high stakes in the management—and perils in the mismanagement—of water in the western United States. It seems deceptively simple: even when clear evidence was available that the Colorado River could not sustain ambitious dreaming and planning by decision-makers throughout the twentieth century, river planners and political operatives irresponsibly made the least sustainable and most dangerous long-term decisions.

Arguing that the science of the early twentieth century can shed new light on the mistakes at the heart of the over-allocation of the Colorado River, authors Eric Kuhn and John Fleck delve into rarely reported early studies, showing that scientists warned as early as the 1920s that there was not enough water for the farms and cities boosters wanted to build. Contrary to a common myth that the authors of the Colorado River Compact did the best they could with limited information, Kuhn and Fleck show that development boosters selectively chose the information needed to support their dreams, ignoring inconvenient science that suggested a more cautious approach. Today water managers are struggling to come to terms with the mistakes of the past. Focused on both science and policy, Kuhn and Fleck unravel

the tangled web that has constructed the current crisis. With key decisions being made now, including negotiations for rules governing how the Colorado River water will be used after 2026, *Science Be Dammed* offers a clear-eyed path forward by looking back. Understanding how mistakes were made is crucial to understanding our contemporary problems. *Science Be Dammed* offers important lessons in the age of climate change about the necessity of seeking out the best science to support the decisions we make.

A Bend in the River Jun 01 2021 In the "brilliant novel" (The New York Times) V.S. Naipaul takes us deeply into the life of one man — an Indian who, uprooted by the bloody tides of Third World history, has come to live in an isolated town at the bend of a great river in a newly independent African nation. Naipaul gives us the most convincing and disturbing vision yet of what happens in a place caught between the dangerously alluring modern world and its own tenacious past and traditions.

The River Between Us Apr 30 2021 During the early days of the Civil War, the Pruitt family takes in two mysterious young ladies who have fled New Orleans to come north to Illinois. An ALA Notable Book & Best Book for Young Adults. Reprint.

I've Never Met An Idiot On The River Oct 17 2022 Now in paperback, this New York Times best-selling collection of humorous anecdotes and heartfelt observations from Henry Winkler shares the joy and wisdom he 's accumulated while honing his skills as a fly-fisherman. An accomplished

sportsman who meticulously records the measurements of every fish he hooks, Winkler has learned that his yearly trips to the river are not just about catching trout. More importantly, they 're about adopting the proper perspective on life. Or, as Winkler puts it, when he 's fly-fishing, the river acts like a "washing machine for my brain," recharging him and reminding him that anything is possible. Winkler makes a habit of sharing his angling adventures with his wife, Stacey, and their three children, Jed, Zoe, and Max. The Winklers ' annual trip, where they can escape the busy-ness of everyday life, has brought them together as a family. On the river, Henry has grown to appreciate the support his wife and children give him, learned to listen, and developed the confidence to publish his outdoor photography in his first non-fiction book. An expression of the inherent optimism that stems from the simplicity of the outdoors, I 've Never Met an Idiot on the River is an invitation to share in the realizations and achievements Winkler has found while fishing. Hopefully it will help you catch a few of your own.
