The Flatshare Apr 03 2021 What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's *The Flatshare* is a feel-good novel about finding love in the most unexpected of ways. Tiffy and Leon share an apartment. Tiffy and Leon have never met. After a bad breakup, Tiffy Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare. Leon, a night shift worker, will take the apartment during the day, and Tiffy can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffy and Leon start writing each other notes - first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met.

A Short and Happy Guide to Advanced Legal Research May 24 2020 Legal research can be costly for students and practitioners in two ways: time and money. A SHORT & HAPPY GUIDE TO ADVANCED LEGAL RESEARCH identifies available free and fee-based legal research options as good, cheap and/or fast. This book can streamline the process of legal research involving any subject matter and during any stage of civil litigation. An overview of the litigation analytics and artificial intelligence features available from Bloomberg Law, Lexis Advance, and Westlaw Edge is also included, in the likely event you graduated from law school before 2019. Ann Walsh Long is the Head of Research & Digital Collections/Assistant Professor of Law at the Lincoln Memorial University School of Law. Ann has also worked at the Environmental Protection Agency's Headquarters Library and in four "Big Law" firms. As a former law firm librarian, Ann taught hundreds of summer and new associates how to conduct cost-effective legal research, and advised firms on how best to recover those costs from clients.
